Almond blossoms from the tree grown
from an almond planted by me in win-
ter of 1868, year of my arrival here.

18. This year began about Feb. 4th

(it seems to me.)

Places: Indian Village. Called in Mr. Conway
He said the soft music would be glad when
God should call them, even little Dewey
and Jodie. That they all missed the mother so.
That life was empty of joy & when they could go a
constant theme of conversation, even at table.
What he said was beautiful but very sad. Must
try to cheer these men. After service he told
me my theme "Prayer" had "ruined" his face
quite & his heart too, as his "wife" had taught
the children to ask for dishes at table just
as I said they should, and had corrected them
for asking as I said they should not, and
since she has gone the older boys say to the
little ones, when they ask rudely, "Was that
the way mother taught you?" & refuse to give
the desired dish until they ask properly.
"Now pray to receive" were my theme.

the song to read, and then the
to singing after which she
was to be some comfort
to the "Indian" as they can
understand.

October,

SUNDAY 11.

1908.

Dr. Tatchell allowed the people as
a membership of my Indian
Church, but not to conduct
the service. Was very weak &
unwilling. Truly, but I felt an
affirmation was given for the service
since the recognition as a
Church of the Presbyterian
organization, the land was a
Church on the face of the earth.
Since God called the Church
was not officially one.

May led song service and
the Church service. Made most
happy sermon on the new nation
& the wonderful Chapter read. That
the men & boys read Bible verses on
line of establishment of Church by
our God. It was a service a May
was called to lead prayer and
Mayce was unanimously chosen
for Communion. Billy Fletcher & Sister
Nelson spoke earnestly, in Indian
language.

October,

MONDAY 12.

October,

TUESDAY 13.

1908.

Very Sick all day. Could not get
to nausea + cramps until after
noon. In bed in my room until
3, then passed two hours on sofa
veranda. Oh so sore ^{also}, last
night. Felt as if I turned red
from spray in bowels and nausea.

Dr. Hatch called toward eve-
ning + I said I must have relief or
quite soon + I postponed delay-
ing myself internally + concerning the
cancer taken by Dr. H. + Dr. " +
my throat - in S. F. - & to remove the
